- Must be able to change focus as needed
- Strong analytical and problem solving skills

Personal Attributes:

- Honest and trustworthy
- Accountable and reliable
- Respectful
- Cultural awareness and sensitivity
- Flexible
- Sound work ethics

Working Conditions:

- **Physical Demands**
 - The tutor may deliver support services in a variety of locations and may have to transport lift and carry equipment and supplies. The Tutor will have to spend long hours sitting

reading and using office equipment and computers which can cause muscle strain, and may also experience long intervals of speaking which could cause strain on the throat.

- **Environmental Conditions**

- The Tutor will have to manage a number of projects at one time, and may be interrupted frequently to meet the needs of students. The Tutor may find the environment to be busy and noisy, and will need excellent organizational and time management skills to complete required tasks.

- **Sensory Demands**

- Sensory demands include the use of the computer, which may cause eye strain and occasional headaches. Activities and programs may be noisy and busy making it difficult to concentrate

- **Mental Demands**

- The Tutor deals with youth and families who can, from time to time, be demanding and challenging. The Tutor must remain patient and committed to the mission of the organization, and may have to engage in conflict resolution or crisis management at times.
